## Tentative Training Sessions

### Sessions Presenters:

Platte Valley Implement – John Deere  
Platte Valley Pest Control – Terry Bloom  
Clarkson Plumbing & Heating  
Spenser's Trenching and Electric  
Home Ready  
Stephen Bert – HUD Engineer

### Sessions:

15–20 minute sessions with presenters available throughout the day for one-on-one questions.  
Keep it moving, keep it interesting!

Hands On Demonstrations – want to try out drywall, maybe some plumbing or how about the proper way to use voltage meters or install outlets. Learn from the pros and your peers. Best practices to save time.

Troubleshooting problems and quick fixes that work.

Pest and weed control.

NSPIRE – just enough to get you ready for the 2-day NSPIRE training in October.

HUD Engineer Stephen Bert – NSPIRE, Hazardous Homes, Physical Needs Assessments for Capital Planning.

From the ED Office – Fair Housing, Procurement, Maintenance Policy and Plan, New codes for smoke detectors, Energy Audits, What you wish your boss knew about your job.

And so much more!!

**We hope to see you at the Schuyler Housing Agency this summer.**
